Some adorable new puppies have just joined the Handi-Dogs family and they need YOUR HELP to name them!

Individuals, companies, schools or organizations can fundraise and/or donate a minimum of $3,000 to sponsor a puppy as it is being raised and learning to become a service dog.

The sponsoring person or organization will have the honor of naming the puppy (with the approval of Handi-Dogs). Here’s a chance to honor pets, family members or friends with a name of your choice.

Your Sponsorship Includes

- An opportunity to present the puppy to the person who will be partnered with the puppy as a service team
- The honor of naming a puppy!
- A framed photo of the puppy in training cape
- Acknowledgement in the annual report
- Progress reports quarterly during the first year of training
- A seat at service dog graduation
- Opportunity to have the puppies visit your organization
- Photo with pup in newsletter/social media
